Ride like a champion today

"It's part of our family time - it's a family vacation,
so we're looking to do as many shows as possible."

- Bonnie Carotenuto, MRC parent

In addition to preparing horse and rider for all saddle seat divisions, we also can prepare you for driving, western, or hunt seat classes. If you are a student in our Academy program, you do not need to own your own horse to compete at horse shows. We have experienced reliable lesson horses for you to start your show career. When the time comes for you to purchase your own show horse, we will help you find just the right one.

"Competing at the highest level
is not about winning. It's about preparation,
courage, understanding
and nurturing your (horse),
and heart.

Winning is the result."
